## Admission steps for one-cycle/bachelor programs

### Admission procedure (First semester)

1. In order to start the admission process, the student or his/her representative should send the following documents (pdf scanned) to [admissions@seu.edu.ge](mailto:admissions@seu.edu.ge)
  - Copy of the passport
  - School certificate (Higher Secondary, Intermediate, Senior, GCE 3 A-Level)
  - Filled application form: <https://seu.edu.ge/172?lang=en> (after downloading application form, you may edit study year)
  - English level proficiency certificate/document minimum **B1**.
2. After accepting these documents, the university schedules an interview for the student.  
**Note: If the student does not hold the language proficiency document, he/she is required to write the English proficiency test provided by university after the successful interview.**
3. The documentation process begins following a successful interview / exam.
4. **Paperwork:**
  - The student or his/her representative should translate passport and school certificate into Georgian language, notary confirmed (two hard copies). One copy of the translated documents should be physically submitted to the admissions office and kept by the university.
  - The university issues an acceptance letter, after receiving the requested (translated and notary confirmed) documentation.
  - The acceptance letter, translated passport and school certificate should be submitted to EQE (National Center for Educational Quality Enhancement) - <https://eqe.ge/en> by the student or legal representative.
  - The student or his/her representative receives Educational Recognition Document from EQE, this document should be submitted in the university

- **Note: If the student does not have a representative in Georgia, the university can provide the paperwork procedures to the student. The student will receive the service agreement document including the service fees)**
5. The university receives the ministry order. It usually takes 4-5 weeks after receiving the educational recognition document.
  6. After receiving the ministry decree, The Students Affairs Department informs the student/representative and requests the payment.
  7. The student pays the tuition fee and acknowledges the Students Affairs Department with payment receipt.
